LOVE'S

Love's Baby Soft is a classic, powdery, and floral fragrance that debuted in 1974. Known for its soft, clean, and innocent scent reminiscent of baby powder, it was an iconic fragrance for teens in the 1970s and is now being rediscovered by new generations.

OLIVIE BLAKE

Masters of Death by Olivie Blake is a fantasy novel about a vampire real estate agent, Viola Marek, who must sell a haunted house.

RPM is a bar & restaurant located in Newnan, GA.

Philip Morris is known for being a major manufacturer of tobacco and nicotine products, most famously the cigarette brand Marlboro, and has recently been expanding into smoke-free alternatives like IQOS heated tobacco and ZYN nicotine pouches.

sans-serif font with slight experimentation on the letter 'h'

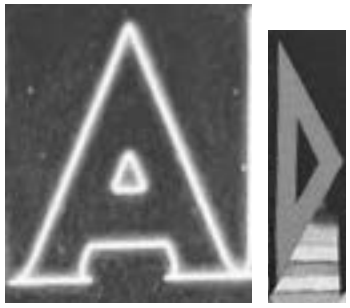

This typeface is a bold, ***CONDENSED SANS-SERIF*** with a ***HIGH X-HEIGHT*** and uniform stroke weight, typical of early-to-mid 20th-century Gothic or Grotesque display fonts used for signage and advertising.

GEORGIA

outlined serif ‘A’.

sans-serif ‘E’ with even line weight.

condensed & angular ‘D’.

condensed ‘N’ with even line weight.

serif ‘J’.

straight axis on the ‘O’ with high contrast on the top and bottom.

double-lined serif ‘Q’.

thin, sans-serif, lowercase ‘y’.

EVIL DEAD

The Evil Dead franchise is about a group of people who find a mysterious book, the Necronomicon Ex-Mortis (Book of the Dead), in a remote cabin, which unleashes demonic spirits that possess them.

FIND JOY IN EACH DAY

ROMANTIC-COMEDY:
(IN MOVIES OR TELEVISION) A ROMANTIC COMEDY.

"if you've ever seen a romcom before you might be able to guess where this is going"

The ***KERNING*** of the letters are pretty well done; I might try closing up space on the "after your dog". However, the differing between the line weights and the ***LOWERCASE*** lettering hurt the messaging.

Handmade Leather Goods, Gifts, and Accessories Masada Leather features the state's most distinctive collection of leather belts, bags, wallets, journals, and accessories. Custom Leather goods handmade in our Athens studio.

The angular almost ***OBLIQUE*** lettering makes the type more engaging for the viewer. It makes you question who Guido is.
